Dear Friendnd family

I thought I should have time to write you before this. but there was no stopping place until I got everything in its place. we are settled now and don't seem like we had been away. Only for the pleasant memories of new friends I have made. We had a very pleasant trip none were sea sick except Ruth and Elsie and then just while we were passing thro^{ugh} "Golden Gate" it is usually rough there. we arrived in San Francisco about 10. a.m Wednesday. we had to wait for our boat so did not get to Napa till 4 P.M.

It is cool here have only had two real warm days since we came.

Ruth, Elsie and Louise are going to school. Jeff is working in a Curdys store and Nue has a position as Childs nurse.

She feels quite proud that she is earning her own way.

Did you take your trip to the Mountains or the beach?

Have the French's moved yet? and are
they doing any thing on the track?
Write me all the news.

Walter was in San Francisco last week,
and just got in with a big load of lumber
from Bay Point. will leave for the City as
soon as he gets on loaded. ^{he} has lots of work
ahead. he has gained six lbs since he came
North. and is feeling fine.

I was up town this afternoon. it ~~seems~~
good to meet old friends. and see friends
on the street.

They all think the Southland must be
a good place. for I am looking so much
better this summer, than I did before I
left here last summer.

Walter left for San Francisco this
evening. and asked me to write a
letter for him. so will close hoping
to hear from you soon.

Best wishes to you and family
Remember me to Mrs Owing and others who
ask of me.

Your friend. Lillian Carr
